I consider lace to be one of the prettiest imitations ever made of the fantasy of nature; lace always evokes for me those incomparable designs which the branches and leaves of trees embroider across the sky, and I do not think that any invention of the human spirit could have a more graceful or precise origin.

Coco Chanel, April 29, 1939

Bridal Collection Overview

Charles Parsons brings you inspired textile solutions that are globally sourced, locally stocked and serviced. We are proud to present 'The Bridal Collection', a complete bridal couture range, from exquisite laces, motifs and borders to premium linings.

Charles Parsons - inspired textile solutions since 1915.

Basics

The Charles Parsons Bridal Collection includes a range of bridal basics to complement our laces and trims. from luxurious silks for high end couture bridal gowns to quality polyester satins. We also carry various veiling tulle and firm petticoat tulle.

Chantilly Laces

The Bridal Collection by Charles Parsons has a selection of fine chantilly laces sourced from France. Always classic and superbly elegant, our chantillys come in various designs, corded and uncorded in colours white and ivory and various widths.

All-over Laces

Charles Parsons carries a collection of stunning bridal laces that will appeal to the modern and stylish bride. Our team is passionate about researching the latest trends in bridal couture to bring the most fashion forward product to the market place. Our beaded laces, embroidered tulle, guipure laces and 3D appliqué laces are internationally sourced and locally stocked.

Embellished Trims & Motifs

Our beaded trims and motifs are the pièce de résistance of any gown. Included in our Bridal Collection are diamanté trims, beaded trims, embroidered tulle trims and motif embellishments.

Indent Laces

Are you a ready-to-wear bridal or eveningwear manufacturer looking for a specific design? Perhaps you love our stocked designs but would like to do them in your own exclusive colour? We develop laces to suit your market and can change design elements on our existing laces to the customer's own specifications. Please contact your Charles Parsons representative to discuss. Minimums apply.
